

Why Listen to Pastor Sunday!

Pastor Sunday *has SHIFTED* the Church in the Ukraine. He knows what it will take to *SHIFT* the Church worldwide!

- Pastor Sunday built the largest evangelical church in Europe by the age of 33.
- An African (Nigerian) by birth, he successfully built a cross-cultural church with a Caucasian membership. It is believed he is the only black leader in the world who is leading a 99.9% white organization.
- Church growth experts call the Embassy of God the most unique apostolic church of modern times.
- Pastor Sunday is experienced in societal transformation.
- Pastor Sunday has the burden and strategy to transform the American church.
- Pastor Sunday plants 8-10 new churches every month.
- Pastor Sunday is credited with wresting a nation away from communism using Kingdom principles of national transformation by spearheading a peaceful political and social revolution that changed an entire nation and is shaking the entire continent of Europe.
- Pastor Sunday grows the church by “pastoring without tears” through helping every church member invade one of the seven spheres of society to produce national transformation. The resulting church growth, which is only a by-product of the Kingdom message is considered by church growth specialists to be one of the fastest-growing and most influential churches in the world.
- As a result of his notoriety, Pastor Sunday is stepping out of the four walls of the church, bringing Kingdom influence to government and social leaders as an invited member to the United Nations, the U. S. Senate, the Clinton Global Initiative and the capitols of many nations worldwide. He is also regularly covered by the Associated Press, the British Broadcasting Corporation, the Wall Street Journal, Reuters, and other media outlets.
